Undoubtedly the greatest 288 GTO in the world! 149km from new, delivered new to the famed Ferrari dealership owner Ed Wettach who kept the car until 2011 before selling to the second owner, a discerning Ferrari collector, who we purchased the car from. Complete with original books, wallet, certificate of origin, original factory invoice, spare keys plus total correspondence relating to the car from new. A very special museum piece that could in the future be a real reference car!
