TOM HARTLEY JNR

1992 FERRARI F40

Rosso Corsa with Red Sport Seats

SOLD

Mileage	8,078 miles	Engine Capacity	2936cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	094579

A very late production car, the latest we've ever seen. Delivered in September 1992 through Italian dealer Crepaldi Auto of Milan. Ordered new with the optional extra of Adjustable Suspension, with only 1 owner from new, still complete with its original handbooks, service book, wallet, tool kit, wheel nut and car cover. This car is without doubt one of the purest and very best examples left in existence.
