TOM HARTLEY JNR

2001 FERRARI 550 Barchetta

Argento Nurburgring with Nero Racing Seats

£SOLD

Mileage	8,945 miles	Engine Capacity	5474cc
Body Style	Convertible	Fuel	Petrol
Transmission	Manual	Chassis No.	124060

1 of only 448 examples ever produced, of which only 42 were UK right-hand drive cars like this one. Ordered by and delivered new to famed car dealer Frank Sytner, the owner of Graypaul Ferrari at that time. His colour choice was Argento Nurburgring over Nero to very fittingly match his 250 SWB California Spider! Most recently owned by another well known individual in the motoring world, a gentlemen collector who has owned an amazing array of collectible cars over the last 20 years. Presented in fantastic condition throughout and still complete with its original books including the service/warranty supplement, pouch, soft-top, certificate of conformity and history file.
