Rosso Bordeaux with Beige Hide

SOLD

Mileage	10,595 miles	Engine Capacity	2418cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	7168

The Dino is a huge part of Ferrari's history, named after Enzo Ferrari's only legitimate son. The car was originally a dream of the young Dino, who put the idea of Ferrari producing a V6 car to his father. In the end, the Dino turned out to be one of the most successful selling Ferrari's of all time. Eventually, 2,609 GT's and 1,274 GTS models were sold. The very special Dino we are offering for sale here is in the most sought after specification. It is 1 of only 5 UK supplied rare 'Chairs and Flares' model with Flared arches, Daytona seats and Campagnolo alloy wheels. Other options ordered new were electric windows, radio and headlamp covers. This car has only covered 10,595 miles from new (Warranted) and is a multiple Concours winning car. Apart from some minor paint rectification in the early 90s, this car is totally original throughout and is just as it was when it left the factory. It even still has the polythene on the door sills.It comes complete with a HUGE history file, original handbooks, wallet, tool kit, jack, spare key, workshop manual, spare parts catalogue and factory Dino literature. This is a fantastic opportunity to

buy a ‘time warp’ example of this truly great Ferrari sports car, which would enhance any collection.
