TOM HARTLEY JNR

2007 BUGATTI Veyron

Violet Over White Coffee with Grenadine & Silk

SOLD

Mileage	11,630 miles	Engine Capacity	7993cc
Body Style	Coupe	Fuel	Petrol
Transmission	Automatic	Chassis No.	795091

A stunning spec example that was delivered new in August 2007. Optional extras specified were large sport seats and two-tone interior. An exceptionally well maintained example that has recently been serviced and had a complete set of new tyres fitted. Offered for sale complete with its original owners manual/service booklet, spare key, speed key, PDA, battery conditioner and car cover. In addition it has a well documented history file which includes pictures of the car coming off the production line and is presented in fantastic condition throughout. For a long time weâ€™ve expressed our opinion of a Veyron being a very undervalued car and we believe they are an amazing investment opportunity.
