Grasmere Green with Almond Cloth
£SOLD

Mileage	279 miles	Engine Capacity	2198cc
Body Style	Off Roader	Fuel	Diesel
Transmission	Manual	Chassis No.	485878

One of 2 Land Rover Defender Heritage 90 soft tops ever produced, the other being retained by Jaguar Land Rover Heritage collection. Converted by JLR for a very important client who desired the last Defender off the production line. A Land Rover built a limited number of Heritage Editions as part of the Celebration Heritage Edition which marks 67 years of Defender production which have many special features including the Grasmere Green paint, a colour scheme determined by a surplus of military paint, a black square on the wing with white letters that read HUE 166. Other features include but not limited to the classic "lightning bolt" Land Rover badge, the heritage-style grille, mudflaps, body colour wheels, white roof, and headlamps. A U.K. supplied vehicle with only 279 miles from new, something very special!
