1 of only 10 right-hand drive examples ever produced and the only right-hand drive example finished from new in the stunning Giallo Miura.

Ordered from new with factory air conditioning and split sump lubrication.

Restored by marque specialists between 2010 and 2013 following which it won its class at Lamborghiniâ€™s 50th Anniversary Concours.

Awarded its Polo Storico certification in 2022, which confirms it still retains its original chassis, body, engine and gearbox.
