TOM HARTLEY JNR

1973 FERRARI DINO 246 GTS

Rosso Rubino with Crema Daytona seats with Black Inserts

£SOLD

Mileage	51,149 miles	Engine Capacity	2419cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	07162

One of only 235 examples of the wonderful 246 GTS to be supplied new to the UK, of which only 8 cars were finished in the rare and stunning colour of Rosso Rubino Metallizzatto. This example also retains its original matching number status, including chassis, body, engine and gearbox. Electric windows are also one of its desirable factory options.

This example further benefits from a thorough contemporary restoration carried out by official Ferrari service agents Carrozzeria Zanasi of Maranello, which also included interior re-trim by experts Tappezzeria Luppi.

Accompanying the car are two extensive history files which contain copies of the original factory order and invoice from Maranello Concessionaires Ltd in July 1973, MOTs from June 1982, various maintenance invoices from September 1984 and photographic evidence of all recent refurbishment works, including mechanical rebuild. A fresh service will also be carried out by model specialists prior to handover.

Tom Hartley Jnr, Tadmarton Heath Road, Hook Norton, Oxfordshire OX15 5DD
