£SOLD

Mileage	15 miles	Engine Capacity	3799cc
Body Style	Coupe	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	688025

The McLaren 688 MSO HS represents a pinnacle of bespoke craftsmanship and performance within the McLaren Sports Series. Combining track-bred engineering with a host of MSO upgrades, this exclusive model offers a compelling balance of dynamic prowess and tailored luxury.

Powered by McLarenâ€™s revered 3.8 litre twin-turbocharged V8 engine, the 688 MSO HS delivers a commanding 666 bhpÂ and 700 Nm of torque, enabling a blistering 0 to 62 mph acceleration in 3.0 seconds and a top speed of 205 mph. These performance figures are realised through a lightweight carbon fibre chassis and race-developed suspension, which provides sharp handling and driver engagement both on road and track.

This particular example benefits from an array of MSO enhancements, including carbon fibre lower side intakes and side intakes, soft-close doors, a subtle stealth badge and carbon ceramic brakes with black calipers.

Tom Hartley Jnr Limited, Ivanhoe Business Park, Ashby-de-la-Zouch, Leicestershire, LE65 2UY

Its interior is finished with McLaren orange contrast stitching and features a carbon fibre interior upgrade, complemented by a carbon black Alcantara steering wheel for a race-inspired tactile feel. In addition it features an electric steering column, air conditioning and the premium Meridian surround sound system. Further features include a parking camera, vehicle lifting system, volumetric alarm upgrade,Â fire extinguisher, warning triangle, and first aid kit.

It is complete with handbooks including its service/warranty supplement, battery charger, car cover, 6-point harnesses, McLaren telemetry USB and cable plus a dedicated history file.

The 688 MSO HS stands as a distinguished and highly desirable model within the McLaren portfolio.

Currently located and taxes paid in Bahrain.
