£POA

Mileage	7 miles	Engine Capacity	3799cc
Body Style	Coupe	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	675500

The 675LT is a track focused but street legal motorcar. At time of launch was the lightest and most driver focused of all Super Series cars produced by MSO. Its inspiration was the highly acclaimed F1 GTR Long Tail. A very limited production run of just 500 example worldwide.

Its outstanding upgraded performance from its predecessor, the 620 S was achieved from the cars upgraded and re-engineered V8 twin-turbo now producing some 675PS (666bhp). Additionally, further weight gains of some 100kg were achieved with the use of lightweight carbon fibre body construction. Further mechanical enhancements made were, upgraded turboâ€™s, cylinder heads, exhaust manifolds and camshafts. Aero upgrades included a larger rear wing by some 50%, larger front splitter, redesigned rear diffuser which produced an astonishing increase its downforce by an outstanding 40% over any other Super Series previously produced. With all these upgrades made produced an outstanding performance of 0-100km in

just 2.9 seconds and a 200km in just 8.1 seconds and a top speed of 326km.

This particular example is the last car produced and commissioned in unique Elite paint finish of Mansour orange. Additional factory options and features included extended carbon fibre interior upgrade package, exterior carbon fibre upgrade package, carbon fibre wheel arches, 675LT logo carbon fibre side sills, Meridian surround sound Â audio system, electric steering column, suspension lift, parking camera, MSO dedication plaque, super-lightweight forged wheels finished in silver, volumetric alarm upgrade system and tracking device.

Complete with its handbooks including the service/warranty supplement,Â spare keys, battery charger, warning triangle, first aid kit and car cover.
