£SOLD

Mileage	209 miles	Engine Capacity	5439cc
Body Style	Convertible	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	002027

Just 150 examples produced worldwide, the SLR 722 s Roadster represents the ultimate open-top expression of the Mercedes-Benz and McLaren collaboration.

The â€˜722â€™ designation pays tribute to Sir Stirling Mossâ€™ legendary victory in the 1955 Mille Miglia, where car number 722, denoting a 7:22am start time, secured one of the most celebrated wins in motorsport history.

Powered by a hand-built 5.5-litre supercharged AMG V8 producing 650 bhp, the 722 s benefits from enhanced performance, revised suspension and a more focused driving character over the standard SLR, whilst retaining its long-distance usability and refinement.

Constructed around a full carbon fibre monocoque and featuring a front mid-engine layout, the SLR delivers exceptional high-speed stability and a uniquely engaging driving experience.
