Body Style	Convertible	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	241729

The Ferrari 488 Spider represents the perfect fusion of breathtaking performance and open-top exhilaration, combining Ferrariâ€™s celebrated mid-engined V8 architecture with the drama and usability of a retractable hardtop convertible. Widely regarded as one of the defining modern-era Ferrari Spiders, the 488 Spider delivers supercar performance alongside everyday usability and unmistakable Italian style.

Powered by a 3.9-litre twin-turbocharged V8 producing 661 bhp, the 488 Spider is capable of accelerating from 0â€“60 mph in just 3.0 seconds and on to a top speed of 203 mph. Paired with Ferrariâ€™s lightning-fast 7-speed dual-clutch transmission, it offers immense performance, razor-sharp throttle response, exceptional agility, and a soundtrack that remains true to Ferrariâ€™s iconic heritage.

As the first turbocharged mid-engined Ferrari Spider since the legendary F40, the 488 marked a significant chapter in

Ferrariâ€™s history, successfully blending modern turbocharged performance with the emotion and character expected of an open-top Ferrari supercar. The retractable hardtop folds seamlessly in just 14 seconds, allowing occupants to enjoy the full theatre of the twin-turbocharged V8 while retaining the elegance and refinement of a coupÃ© when closed.

A UK-supplied, Atelier-specified example with an extensive list of factory options, including Daytona-style seats, full electric seats, carbon fibre trim, LED shift indicators on the steering wheel, carbon fibre centre console, carbon fibre dashboard inserts, leather steering wheel in Blu Sterling, yellow tachometer dial face, upper passenger compartment trim in Crema, upper dashboard in Blu Sterling, special stitching in Blu Medio, embroidered Cavallino headrest emblems in Blu Medio, upper rear bench in Crema, Blu seat belts, carbon fibre rear pillars, seat backrests in Crema, Blu and Crema carpets, Giallo Modena brake callipers, Scuderia Ferrari shields on the front wings, carbon fibre rear air intakes, carbon fibre rear fog light bezel, front suspension lift, 20-inch forged wheels with a chrome finish, Adaptive Front Lighting System (AFS), front and rear parking sensors, front and rear parking cameras, Ferrari Tricolore badge, Premium Hi-Fi system, Apple CarPlay and a security tracking system.
