Number 19 of only 40 Vantage Le Mans ever produced, a U.K. supplied example that's only covered just over 1,400 miles and is totally indistinguishable from new throughout. Quite fittingly finished in the iconic colour of Aston Martin racing green over Tan leather & alcantara interior. Converted to automatic transmission by Aston Martin Works (please note the original manual transmission comes with the car). Recently comprehensively serviced by Aston Martin Works and is offered for sale complete with its original invoice, handbooks, spare key, dedicated Vantage Le Mans factory book signed by Roy Salvadori and Caroll Shelby, old tax discs, old MOT's, Aston Martin car cover plus a well documented history file which contains original correspondence to the first owner. Must be one of the very best examples of this uber rare and super collectable car!
