TOM HARTLEY JNR

1959 MERCEDES-BENZ 190SL Roadster

Ivory with Red

£165,000

Mileage	7,587 miles	Engine Capacity	1897cc
Body Style	Convertible	Fuel	Petrol
Transmission	Manual	Chassis No.	

Introduced in 1954 at the New York motorshow, The Mercedes-Benz 190SL complemented the 300SL as a more affordable and equally stylish alternative. The example we are offering here is maybe the very best and most original in existence, Complete with it's factory Hard-Top, Only 2 owners for the first 53 years and warranted mileage of just 11,788klm, this truly is a time Warp Example! Purchased by ourselves in 2012, the car was immediately inspected by the UK's leading Mercedes-benz Specialists, who after a thorough inspection reported only the following comments: Original tyres that need replacing, Water hoses hard, water pump leaking, Car requires service, Soft top showing age. All items were rectified apart from Tyres and hood to protect it's unique originality. Please note: the tyres were later changed in 2013 to satisfy the previous owners request. The bodywork, interior and Engine are in Amazing order which is a compliment to the previous owners who have obviously maintained the car to the very highest level.
