| Body Style | Coupe | Fuel | Petrol |
| Transmission | Manual | Chassis No. | 500486 |

A very special car, the 19th of only 29 Aluminium examples ever produced and the only one to compete in the Mille Miglia in period. Restored by marque specialists HK Engineering in 2011 and was subsequently nominated for the restoration of the year, a testament to the quality of the work carried out. Still complete with its original fitted luggage, the first ownerâ€™s racing helmet and is accompanied by a very well documented history file.

Tom Hartley Jnr, Tadmarton Heath Road, Hook Norton, Oxfordshire OX15 5DD
