One of the finest restored examples we have ever handled.

The 131st of only 165 250 SWBs ever produced. Delivered new in March 1962 to its first owner, a gentleman in California and has resided in North America since, passing through some highly respected collectors along the way.

A total matching number and multiple award winning example, including scoring a record of 100 points at the 52nd Ferrari Club of America Concours at Monterey in 2015.

Truly spectacular in every regard.
