TOM HARTLEY JNR

2019 ROLLS-ROYCE Cullinan

Jubilee Silver with Seashell Leather

£SOLD

Mileage	9,999 miles	Engine Capacity	6749cc
Body Style	SUV	Fuel	Petrol
Transmission	Automatic	Chassis No.	111820

The Cullinan is the worldâ€™s first ever SUV to be designed with coach doors and Rolls-Royceâ€™s first ever all-terrain vehicle. Taking its name from the largest uncut diamond ever discovered it presents a dominating profile in the 4×4 world. Fitted with the same 6.75 litre twin turbocharged V12 petrol engine found in Rolls-Royceâ€™s flagship Phantom its performance is styled with the pinnacle of luxury and has been deemed by many as the most luxurious SUV to date.

This particular example was UK supplied and benefits from just one owner from new and a fantastic specification. Optional extras and additional features include; Panorama glass sunroof, Rolls-Royce bespoke audio system with DAB. Driver assistance system that includes, night vision camera with person recognition, lane change assist, active cruise control with stop-go function, park assist with surround and park distance control. Bespoke interior trim styling in Scivaro Grey Leather, Horizon interior styling, rear lounge seating, contrast seat piping, contrast seat stitching, R-R monograms to all headrests, heated passenger surround, lambswool floor mats, leather coloured steering wheel, veneered steering wheel spokes, open pore

silver birch veneers, Chevon style wood, head up display, WiFi hotspot, Cullinan illuminated tread plates, 22â€ fully polished twin-spoke alloy wheels, electronic tow hitch, single coach line in Seashell and rear privacy glass.

Presented in â€˜as newâ€™ condition throughout and complete with its original handbooks, spare Signature key, 2 x Rolls-Royce monogrammed umbrellas, first aid kit, warning triangle, history file and its distinctive registration number CU10 NAN.
