

1973 PORSCHE 911 2.7 RS Touring Tangerine with Black Leatherette **£SOLD**

Mileage	13,086 miles	Engine Capacity	2687cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	600746

A very rare right-hand drive example which has only covered 13,000 miles from new.

Finished in its original colour combination of Tangerine over Black leatherette seats with corduroy inserts.

Factory optional extras include limited slip differential, round fog lights below bumper, engine compartment light, drivers side door mirror and a black interior headlining.

Single ownership for 34 years of its life and recently prepared for sale by model experts Autofarm who summarised the car as certainly being in the top 5% of RS production.

Complete with its spare key, original sales invoice and original books including its original service booklet, which is very rarely seen with these cars today.

TOM HARTLEY JNR

One of the finest examples in existence.
