£SOLD

Mileage	12,111 miles	Engine Capacity	6749cc
Body Style	SUV	Fuel	Petrol
Transmission	Automatic	Chassis No.	204998

The Cullinan is the worldâ€™s first ever SUV to be designed with coach doors and Rolls-Royceâ€™s first ever all-terrain vehicle. Taking its name from the largest uncut diamond ever discovered it presents a dominating profile in the 4×4 world. Fitted with the same 6.75 litre twin turbocharged V12 petrol engine found in Rolls-Royceâ€™s flagship Phantom, its performance is styled with the pinnacle of luxury and has been deemed by many as the most luxurious SUV to date.

This car benefits from a fantastic specification, with factory options and additional features that include: shooting star headliner, the Cullinan package comprising of: atmospheric interior styling scheme with contrast centre seat piping in Artic White, rear theatre configuration, picnic tables, front massage and ventilated front seats, RR monogram stitched to all headrests in Artic White, heated passenger surround, enhanced clock face, illuminated tread plates, polished interior stainless steel finishes, 22″ 10-spoke part polished shadow wheels along with exterior stainless steel finishes. Rear lounge seat configuration, extended leather headliner, Piano Black veneers, extended veneer open pore blackwood, head-up display,

television function, DAB tuner, Apple CarPlay, WiFi hotspot preparation. Driver assistance system that includes:Â active cruise control, night vision along with pedestrian recognition plus surround view. This car further benefits from automatic door close, rear privacy glass, lambswool floor mats, wheel centre matched to wheels and universal garage door opener.

Presented in excellent condition throughout, fresh from a service at Rolls-Royce and comes complete with its original handbook, spare key, 2 Rolls-Royce monogrammed umbrellas, first aid kit, warning triangle and its dedicated history file.
