Body Style	Coupe	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	004607

The SLS AMG is a modern day classic Mercedes-Benz with Gullwing style doors. It won several highly prestigious awards when it was first launched, such as the 2010 Auto Bild design award as 'Europe's most attractive car' and the Federal Republic of Germany's gold Design Award. First revealed to the public at the Frankfurt motor show in 2009, it was the first Mercedes-Benz to be designed and built entirely by AMG, boasting a staggering 563bhp, making it one of the most powerful naturally aspirated production engines in the world.

Our car is a fantastic example, equipped with the following factory build options and features that include: AMG carbon fibre black piano trim, AMG performance steering wheel trimmed in black leather and microfibre suede, Dinamica roof liner in black, Thermotronic automatic dual-zone climate control, electrically adjustable drivers seating with memory package, heated seats, COMAND-APS with DVD changer, electrically folding exterior mirrors, Bi-xenon headlamps, headlamp cleaning system, front and rear parking sensors with reversing camera, daytime running lights as well as 19" and 20" AMG 7-Spoke alloys.

**TOM HARTLEY JNR**

Our SLS has an excellent documented service history from new, with services carried out as follows:
