TOM HARTLEY JNR

2022 PORSCHE 718 Spyder

GT Silver with Bordeaux Red Leather with Black Race-Tex

£SOLD

Mileage	1,229 miles	Engine Capacity	3995cc
Body Style	Convertible	Fuel	Petrol
Transmission	PDK	Chassis No.	218065

The 718 Spyder represents fantastic value for money when we consider its performance, it produces an incredible 414 bhp from its naturally aspirated 4.0 litre engine, allowing it to reach 62 mph in just 4.4 seconds then on to a top speed of 187 mph. It blends serious performance with a characterful, analogue driving experience which is increasingly rare in modern sports cars.

This 2023 model year UK supplied example has covered only a mere 1,229 miles from new. Ordered new with a whole host of factory optional extras and features that include: non-standard paint finish, PDK gearbox, Spyder classic interior package, adaptive sports seats plus 18 way electric, sports seats plus with back rests in leather, dashboard trim package in leather, sun visors in leather, steering column in leather, inner door sill guards in leather, door trim package in leather and race-tex, BOSE surround sound system with 10 speaker with subwoofer with output of 505 watts, AppleCarPlay, two-zone automatic climate, climate control panel in leather, light design package, Bi-Xeon headlamps including Porsche dynamic light system (PDLS),
