1 of only 400 Heritage Editions ever produced in celebration of their 67 years of production and the conclusion of the 'Defender'.

Land Rover built a limited number of Heritage Editions which have many special features including the Grasmere green paint – a colour scheme determined by a surplus of military paint, a black square on the wing with white letters that read HUE 166 â€" the registration of the first pre-production Series Land Rover, these are only examples of the many neat touches youâ€™ll find on the Heritage Edition. Other features include but are not limited to the classic â€¯lightning boltâ€™ Land Rover badge, the heritage-style grille, mud-flaps, body colour wheels, white roof and headlamps. Produced in both Station Wagon and Hardtop form with the rarest variant being the Hardtop like the one we are offering here for sale.

This is a UK supplied 1 owner vehicle and it comes complete with its Land Rover leather pouch, original books, new and

sealed operating manual for detachable tow bar with white cloves, spare keys, Land Rover key ring in box, HUE 166 key ring in box, 2 x HUE 166 mugs in their presentation box plus its dedicated history file.
