TOM HARTLEY JNR

1971 FERRARI 312 B2
£SOLD

Mileage	N/A miles	Engine Capacity	2991cc
Body Style	Formula-1 Car	Fuel	Petrol
Transmission	Manual	Chassis No.	6

Included in the sale of the Ecclestone Grand Prix Collection.

Piloted by Jacky Ickx to a pole position, fastest lap and victory in the 1971 Dutch Grand Prix, the first win for any 312 B2 and to two podium finishes at the 1971 and 1972 Monaco Grand Prix.

Raced by Mario Andretti at the 1972 United States Grand Prix.

Ferrari 'Red Book' Classiche certified which confirms it still retains its original chassis, body, engine and gearbox.

The fourth and last 312 B2 Formula One car built.

Sold by the factory to Clay Regazzoni in 1973 and only two subsequent owners since, those being Albert Obrist and The Ecclestone Grand Prix Collection, where it has resided for the last 27 years.
