The 22nd of only 32 Ferrari 250 LMs ever produced.

Competed in many period races including the 1966 Daytona 24 Hours and the 1968 24 Hours of Le Mans.

Raced in period by some of the very best drivers of the day including Innes Ireland and Mike Parkes.

Fresh from a world-class restoration by Ferrari Classiche and presented in its original specification.

Following its restoration, the car won Best in Show at the 2024 Cavallino Classic in Palm Beach, Florida and was subsequently presented with the incredibly prestigious Peninsula Classics Best of the Best Award in 2025.

Ferrari â€˜Red Bookâ€™ Classiche certified confirming it still retains its original chassis and body along with the engine and

gearbox that were fitted when it raced at the 1968 24 Hours of Le Mans.
