The Porsche 911 GT3 RS (991.2), is a benchmark for naturally aspirated performance in the 911 range. Powered by a 4.0-litre flat-six engine developing 520 horsepower and 346 lb-ft of torque, it accelerates from 0 to 62 mph in just 3.2 seconds and reaches a top speed of 194 mph. For those seeking ultimate performance, the optional Weissach Package adds carbon fibre components and lightweight magnesium wheels to further reduce weight. With a blistering Nürburgring lap time of 6:56, the 991.2 GT3 RS is a masterclass in Porsche's race-bred engineering—blending extreme capability with everyday usability.

Our single owner, left-hand drive GT3 RS was built to GCC specification and commissioned with the following factory options and features that include: Weissach package, Club Sport package, 918 style bucket seats, racing yellow seat belts, Ceramic composite brakes (PCCB), BOSE surround sound system, AppleCarPlay, Porsche Communication Management including online navigation (PCM), steering column casing in leather, PDK gear lever in Alcantara, roof lining in Alcantara, sports steering wheel in Alcantara, 12 o'clock marker in yellow to steering wheel, sport chrono package including mode switch,
