The 718 Spyder represents fantastic value for money when we consider its performance, it produces an incredible 414 bhp from its naturally aspirated 4.0 litre engine, allowing it to reach 62 mph in just 4.4 seconds then on to a top speed of 187 mph. It blends serious performance with a characterful, analogue driving experience which is increasingly rare in modern sports cars.

This single owner, paint to sample (PTS) example commissioned with the highly sought after 6-speed manual gearbox and a whole host of factory optional extras and features that include: Exclusive Manufaktur (PTS), Race-TEX interior with extensive items in black leather, adaptive sports seats plus 18 way electric, carbon interior package, light design package, cruise control, heated multifunctional steering wheel, light design package, storage compartment lid in Race-TEX with 'PORSCHE' logo, ISOFIX child seat mounting points on passenger seat, passenger footwell storage net, electronically folding exterior mirrors, park assist rear, Bi-Xenon main headlights in black including Porsche Dynamic lights System (PDLS), alloy wheels
