Agate Grey with Black Leather
£SOLD

Mileage	8,381 miles	Engine Capacity	3996cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	165240

The 2017 Porsche 911 GT3 (991.2) represents the definitive evolution of Porsche's modern GT3 formula. Powered by a 4.0-litre naturally aspirated flat-six producing 500 bhp and revving to an intoxicating 9,000 rpm, it delivers exceptional throttle response and performance.

Building on the foundations of the 991.1, the 991.2 introduced a number of meaningful refinements that elevated the GT3 experience even further. Most notably, the 4.0-litre engine marked a return to larger displacement, offering sharper throttle response, greater mid-range punch and an even more visceral soundtrack. Subtle chassis revisions and recalibrated rear-wheel steering enhance agility at lower speeds while delivering outstanding stability and composure when driven hard. The steering remains richly communicative, the front end feels surgically precise, and the car flows beautifully through fast corners with total confidence.

TOM HARTLEY JNR

The result is a GT3 that feels more mature, more capable and more engaging than ever before, a perfectly honed driver's car that blends motorsport pedigree with everyday usability and one of the finest naturally aspirated 911s Porsche has ever produced.

This example was ordered with a host of factory options and features that include: 6-speed GT sports manual transmission, adaptive sports seats plus (18-way electric), heated seats, dashboard trim package in leather, extended interior package door panel in leather and Alcantara, belt outlet trims in Alcantara, storage compartment lid in Alcantara with Porsche crest, sun visors in Alcantara, cruise control, LED main headlights including Porsche Dynamic Light System Plus (PDLS Plus), light design package, automatically dimming mirrors with integrated rain sensor, sport chrono package, BOSE surround sound-system, digital radio, Porsche Communication Management (PCM) including online navigation module, mobile phone preparation, audio interfaces and voice control system, Connect Plus including online navigation, Apple CarPlay®, telephone module and wireless internet access, as well as Porsche car connect with remote vehicle status, Porsche Active Suspension Management (PASM) sport tuning and 25 mm lower, front axle lift system, Porsche ceramic composite brakes (PCCB), wheels painted in satin black, vehicle key painted with leather key pouch, fuel filler cap in aluminium look finish and Porsche Vehicle Tracking System (PVTS).

Presented in "excellent" condition throughout and offered complete with its original books including the service/warranty supplement, spare key, car cover, battery conditioner and a dedicated history file. The car will also benefit from fresh service at Porsche centre prior to handover.
