A defining example of Lamborghini's landmark Super SUV, this 2022 Urus delivers unmistakable design, exceptional performance, and everyday usability in equal measure.

Powered by a 4.0-litre twin-turbo V8 producing 650 horsepower, the Urus accelerates from 0-60 mph in just 3.6 seconds, combining supercar performance with all-wheel-drive confidence and genuine off-road capability. Adaptive air suspension and Lamborghini's ANIMA drive modes allow the Urus to adjust seamlessly to a variety of terrains, delivering exceptional control whether on the road or beyond it.

Inside, the Urus is unmistakably Lamborghini, defined by its fighter-jet-inspired layout, hexagonal design language, and dual touchscreen centre console. Alcantara and leather upholstery, aggressive detailing, and a sculpted driving position place the driver at the heart of the experience, while the elevated stance and clear outward visibility reinforce its ability to transition
