TOM HARTLEY JNR

1958 FERRARI 250 GT LWB California Spyder

Dark Red with Tan Leather

£SOLD

Mileage	N/A miles	Engine Capacity	2,953cc
Body Style	Convertible	Fuel	Petrol
Transmission	Manual	Chassis No.	0923 GT

One of just 50 LWB California Spyders ever produced and one of only 38 originally built in the most attractive covered-headlight configuration.

The third California Spyder built and the very first example to be delivered to California.

Fitted with the original Tipo 128 C engine, only found in the first nine of the 106 California Spyders built.

A matching numbers example including its chassis, body, engine and gearbox as confirmed within its Ferrari â€˜Red Bookâ€™ Classiche certification.

Registered, located and taxes paid in the UK and presented in exceptional condition throughout.

Tom Hartley Jnr, Tadmarton Heath Road, Hook Norton, Oxfordshire OX15 5DD
