

TOM HARTLEY JNR

2026 PORSCHE 911 GT3 Touring (992.2)
Oak Green Metallic with Black Leather
£219,500

Mileage	240 miles	Engine Capacity	3996cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	278246

The Porsche 911 GT3 Touring Package (992.2) is the latest evolution of one of the most celebrated driver's cars ever produced, combining the unmistakable character of a naturally aspirated 4.0-litre flat-six with the purity of a six speed manual gearbox. Refined for the 992.2 generation, Porsche has introduced subtle yet significant enhancements to the chassis, aerodynamics and driver engagement, resulting in an even sharper and more focused driving experience.

Producing 510hp and revving to 9,000rpm, the GT3 with Touring Package delivers exceptional response, soundtrack and involvement, while revisions to the gearing and suspension, inspired by the 911 S/T, further enhance its already outstanding dynamics.

A single-owner, UK-supplied example that was specified from new with a huge list of features and optional extras, including: Oak Green Metallic Neo paint, lightweight sport bucket seats (foldable), seat heating (front), seat belts in silver grey, rear
