Representing the pinnacle of Ferrari's mid-engined V8 lineage, the Ferrari F8 Spider seamlessly combines breathtaking performance with the exhilaration of open top driving. Powered by Ferrari's 3.9-litre twin-turbocharged V8, producing an impressive 720 PS and 770 Nm of torque, the F8 Spider accelerates from 0â€"62 mph in just 2.9 seconds before reaching a top speed of 211 mph.

Developed as the successor to the acclaimed 488 Spider, the F8 Spider benefits from extensive aerodynamic enhancements inspired by Ferrari's unrivalled motorsport expertise, delivering greater stability, sharper handling, and increased driver confidence. Its retractable hardtop operates in just 14 seconds and can be opened or closed at speeds of up to 28 mph (45 km/h), allowing occupants to experience the unmistakable soundtrack of Ferrari's iconic V8 at the touch of a button.

Blending everyday usability with extraordinary performance, the F8 Spider represents one of the finest open top driver's cars

of the modern era, offering an intoxicating combination of pace, precision, and unmistakable Ferrari character.

This low-mileage, UK-supplied example is exceptionally well specified. The paint Grigio Ingrid is a rare metallic silver-grey with warm champagne and bronze undertones, this historic Ferrari colour was originally created in 1954 for Swedish actress Ingrid Bergman by coachbuilder Pinin Farina, commissioned by her husband, film director Roberto Rossellini, for a bespoke Ferrari 375 MM.

Factory options and features include Daytona-style seats, fully electric seats, Cavallino-embroidered headrests in Nero, an upper dashboard trimmed in Nero leather, Extracampionario special interior stitching, a carbon fibre steering wheel with LED shift lights trimmed in Nero leather, suspension lift, aluminium rev counter, aluminium pedals, dual-zone climate control, an electrochromic rear-view mirror, Nero floor mats with embroidered logos, a Nero matt upper bonnet insert, Scuderia Ferrari shields, aluminium-finished brake callipers, carbon ceramic brakes, the Adaptive Front Lighting System (AFS), LED headlights with daytime running lights, 20-inch forged alloy wheels finished in chrome, and an anti-theft security system.
