£495,000

Mileage	6,452 miles	Engine Capacity	6262cc
Body Style	Coupe	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	227270

An exceptionally rare example of Ferrariâ€™s F12berlinetta, commissioned as part of the marqueâ€™s celebrated 70th Anniversary programme. To commemorate its 70th Anniversary in 2017, Ferrariâ€™s Tailor Made department, together with the designers of Centro Stile, created 70 exclusive liveries inspired by some of the most significant road and competition cars from the marqueâ€™s history. Each of these 70 liveries could be commissioned only once on each of five models from Ferrariâ€™s contemporary range, resulting in just 70 individually specified F12berlinettas worldwide.

Our car is therefore one of only 70 F12berlinetta 70th Anniversary examples produced, with each of the 70 cars featuring its own individual historically inspired specification. This particular example pays tribute to the 1953 Ferrari 340 MM Vignale Spider Series II, one of the marqueâ€™s most significant competition cars. In 1953 Mille Miglia, this model achieved an overall victory, setting a new race average-speed record of more than 142 km/h. The 340 MM formed part of Ferrariâ€™s successful 1953 competition campaign, the season in which Maranello secured the inaugural World Sportscar Championship.

The F12berlinetta itself represents one of the great front-engined V12 Ferraris of the modern era. Its naturally aspirated 6.3-litre V12 produces 740 hp at 8,250 rpm. Capable of 0â€“62 mph in just 3.1 seconds and reaching a top speed in excess of 211 mph, it combines true supercar performance with the traditional front-engined V12 grand touring configuration for which Ferrari has long been celebrated.

Already one of the most celebrated naturally aspirated V12 Ferraris of its generation, the rarity and historical significance of this 70th Anniversary example elevate it considerably further.

This example was commissioned with the following Tailor Made options and features: Livery and Dreamline on underdoor in Bianco Avus, Heritage Blu sterling leather, upper part of centre console and luggage straps in heritage blu sterling leather, webbing on centre console armrest and door armrest in heritage blu leather, smooth seat panelling with heritage blu sterling leather central strip, centre console panels in black leather, luggage compartment sides in black leather, shelf in black carpet, internal aluminium elements in matte Argento Nurburgring, internal plastic parts/grilles in blu sterling leather, tailor made 70th anniversary dedication plate, carbon-fibre racing seats, carbon-fibre dashboard inserts, carbon-fibre steering wheel with LEDs, carbon-fibre cup holder, passenger display, Bianco rev counter, leather headlining in Nero, leather centre tunnel, Extracampionario interior stitching throughout, Cavallino stitching to the headrests in Blu Medio, high-power Hi-Fi system, cruise control, suspension lifter, Adaptive Front-Lighting System (AFS), parking camera, electrochromic interior and exterior mirrors, carbon-fibre front spoiler, carbon-fibre under-door covers, carbon-fibre headlight buckets, carbon-fibre rear diffuser, carbon-fibre exterior sill kick plates, rear privacy glass, Scuderia Ferrari shields, 20â€ forged painted wheels and Giallo brake callipers.
