With just 15 Mercedes-Maybach S 600 Pullmans recorded as having been registered in the UK, this particular example is an exceptionally rare offering of one of Mercedes-Benzâ€™s most exclusive modern motor cars.

Few cars command the presence of a Mercedes-Maybach S 600 Pullman. Just shy of 6.5 metres in length and powered by a formidable 6.0-litre twin-turbocharged V12 engine, the Pullman represents the very pinnacle of Mercedes-Benz luxury and chauffeur-driven motoring.

Created for those who demand the very best in rear-seat comfort, privacy and refinement, the S 600 Pullman transforms the traditional limousine into an exceptional mobile first-class cabin. Its beautifully appointed rear compartment features individual executive seating, folding tables, electric sunblinds and an electrically operated privacy partition, creating an environment of remarkable tranquillity and exclusivity.
