Turchese Dry Cod with Charcoal Alcantara

£SOLD

Mileage	3,509 miles	Engine Capacity	3902cc
Body Style	Coupe	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	249834

Unveiled at the Geneva Motor Show in 2018, the Ferrari 488 Pista was developed as the most extreme and performance-focused interpretation of the 488 GTB, drawing upon Ferrari's considerable success in international GT racing and its extensive experience in the Ferrari Challenge championship.

Continuing the distinguished lineage established by the 360 Challenge Stradale, 430 Scuderia and 458 Speciale, the 488 Pista incorporates a comprehensive range of technical advancements designed to deliver exceptional performance and driving dynamics.

Its extensively revised 3.9-litre twin-turbocharged V8 engine produces 710 bhp and 770 Nm of torque, enabling the car to accelerate from 0â€"62 mph in just 2.85 seconds and reach a maximum speed in excess of 211 mph. Significant weight reductions, together with sophisticated aerodynamic developments including Ferrari's innovative S-Duct, further enhance the

car's agility, stability and responsiveness.

Combining race derived engineering, extraordinary performance and distinctive styling, the Ferrari 488 Pista represents one of the most accomplished and sought-after special-series V8 models in the marque's modern history.

This particular Tailor Made example boasts a huge specification, with an extensive selection of factory features and optional extras, including: Turchese Dry Cod paint, central livery stripe in Grigio Silverstone, external stripes in Argento NÃ¼rburgring, livery starting at a width of 22 cm and finishing at 37.5 cm, carbon fibre front air vents, carbon fibre front flaps, carbon fibre side air splitter, carbon fibre engine covers, carbon fibre rear diffuser, carbon fibre rear moulding, carbon fibre hub caps, gloss Grigio Silverstone wheels, Silverstone Grey brake callipers, suspension lifter, Scuderia Ferrari shields, black tailpipe tips, carbon fibre underdoor covers, carbon fibre inner sill trim, matte carbon fibre kick plates with Ferrari Tailor Made logo in Argento NÃ¼rburgring and stripe in Turchese, Charcoal leather steering wheel, carbon fibre racing seats, racing seat lifter, seats upholstered in Charcoal Alcantara with side inserts on the seat panels and backrests in Grey Trefoil Design Superfabric, central seat stripes divided into three equal sections of Argento Alcantara, Charcoal Alcantara and Silver Alcantara, Cavallino embroidered on the headrests in Azzurro, door pocket inserts in Charcoal Alcantara, dashboard insert in Silver Alcantara, Alcantara-trimmed rear wall, area between the upper and lower dashboard sections and the area above the instrument binnacle finished in perforated Charcoal leather, speaker grilles and plastic components colour-matched to the surrounding materials, interior carbon fibre components in carbon finish, carbon fibre upper centre console trim, aluminium rev counter, F1 housings in matte Turchese, matte carbon fibre dedication plate featuring the Ferrari Tailor Made logo in Argento NÃ¼rburgring and stripe in Turchese, integrated audio system, rear parking camera, adaptive front lighting system and full-car paint protection film (PPF).
