It would be hard to imagine that a Carrera GT could get any better than the example we are offering here. A UK supplied car that's only had 1 owner and covered just 2,669 miles from new. Finished in the most desirable colour combination and complete with a fully documented history file from new. In addition, the car also still retains its: original handbooks including the service/warranty supplement, spare key, Carrera GT luggage set, roof straps, car cover, tool kit, towing eye, tyre inflator kit, warning triangle plus factory literature and gifts sent to the first owners.

Indistinguishable from new throughout, a truly amazing car.
