TOM HARTLEY JNR

2003 ROLLS-ROYCE Corniche Final Series

Peacock Blue with Magnolia Piped French Navy

£149,950

Mileage	7,000 miles	Engine Capacity	6750cc
Body Style	Convertible	Fuel	Petrol
Transmission	Automatic	Chassis No.	

Number 39 in a run of just 56 'Final Series' cars produced worldwide which are also otherwise known as 'Last of the Line cars', this model marked the end of 56 years of production of both Rolls-Royce and Bentley motor cars being built together at the factory in Crewe before Rolls-Royce production moved to Goodwood in 2002. Many Unique features which included but not limited to, Red Rolls Royce badges as per the original Rolls Royce cars, a Sterling Silver commemorative plate and different style Alloys. This example has to be one of the very best anywhere, not only super low mileage but fantastic service history and impeccable condition throughout, Opportunity!
