£166,950

Mileage	2,100 miles	Engine Capacity	5950cc
Body Style	Off Roader	Fuel	Petrol
Transmission	Automatic	Chassis No.	021737

The long-awaited Bentley luxury SUV has been revealed to the world. A 0-60mph time of 4.0 seconds, 187mph top speed and active electric anti-roll supports Bentleyâ€™s claim that itâ€™s the fastest, most powerful SUV in the world. Equipped with cutting edge technology and trimmed with opulent luxury our example has optional extras that cost over Â£48,000 that include but are not limited to: Blackline specification (the Blackline specification replaces the exterior stainless steel brightware with a black gloss finish on everything from the radiator grille to the lower body trim along with the introduction of several carbon fibre enhancements), Touring specification, 7-seat specification, contrast stitching, heated 3-spoke hide trimmed steering wheel, hand stitching to steering wheel in contrast colour, veneered centre fascia panel, mood lighting, rear privacy glass, Bentley signature audio, digital TV tuner and digital radio, welcome lamps by Mulliner, front and rear deep pile carpet overmats, remote controlled garage door opener – Euro link system, hands free tailgate, electrically retracting tow bar and Bentley battery charger. A UK supplied example that's in immaculate condition throughout and benefits from the

remainder of its 3 year warranty. It comes complete with its original books, spare key, Bentley car charger and history file.
