Pure Blue with Black & Pure Blue

£SOLD

Mileage	8,288 miles	Engine Capacity	3800cc
Body Style	Convertible	Fuel	Petrol
Transmission	Semi Automatic	Chassis No.	795090

Car number 032 of only 356 ever produced and 1 of only 19 UK right-hand drive examples. A highly collectable and super desirable car which with its lowered windscreen, double-bubble tonneau cover and Fuchs wheels is truly stunning and regarded as the most beautiful modern-day 911. All examples were finished with a very high specification as standard which included but not limited to the 408BHP power kit, lightweight aluminium doors from the GT3, sport design front apron, Ceramic brakes, PASM suspension, sports seats with leather backing, full electric seats with drivers memory, leather inserts on dash and door trims, leather coat hooks on seat backrests, leather steering column, heated seats, PCM navigation system with phone, sport chrono package plus, BOSE sound package, aluminium handbrake and gear lever, leather centre tunnel and storage box, cruise control, rear park distance control, bi-xenon and dynamic cornering lights, painted headlight washer covers, tail lights in clear glass look, fuel tank cap in aluminium look, leather edged floor mats and dedicated sill plates. Offered today in 'as new' condition throughout and complete with its original handbooks including the service/warranty
