One of the very best examples of this highly revered Porsche supercar. Only two owners from new, with the second having purchased it in 2015. The car comes complete with its original books, including the service/warranty supplement, a leather wallet, a spare key, fitted luggage, interchangeable seat cushions, a centre wheel locking socket, silk roof bags and battery conditioner. It has recently undergone a major service at Porsche Reading, which included replacing the clutch. Totally indistinguishable from new throughout, this example is a must-have for any Porsche collection, and it represents fantastic value when compared to its Italian rival!
