A very special car, winner of three F1 Grand Prix. Driven by both Michael Schumacher and Rubens Barrichello and the first Ferrari Formula One chassis since 1977 to win with two factory drivers. Three wins, three second place finishes and three fastest laps in seven Grand Prix. Considered one of the greatest Formula 1 cars of all time, built by the most successful Grand Prix team and driven by the most successful grand prix driver Michael Schumacher. A special piece of Ferrari Formula One history!
