Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	390415

A truly exceptional example, very original throughout and is accompanied by one of the most documented histories we have witnessed on a car of its age. Sold to the first owner in the September of 1995 and delivered new with the following optional extras: electric windows, air conditioning, driver and passenger airbags, integrated rear spoiler, reduce radio preparation and an 88 Ah battery. Still complete with its original books including the service supplement, spare key, original Porsche key cards and spare wheel. Fresh from a comprehensive service by model specialists. One of the most desirable and collectable 911s.
