A Phantom CoupÃ© is an ever-increasingly sought-after model, a real modern classic. The example we are offering here is finished in the very rare but very fitting colour of British Racing Green over a Moccasin leather interior with Dark Spice contrast stitching throughout. It is a total spec car with optional extras that include the seductive Starlight headlining, TV function, reversing camera, full Walnut Burr veneered dash plus steering wheel button surround and cup holder lid, Lambswool rugs and 21″" seven spoke alloy wheels. A UK supplied example that has recently been serviced and presented in 'as new' condition throughout.
