TOM HARTLEY JNR

BUGATTI Veyron (U.S. Car)

Jet Black with Black Leather

SOLD

Mileage	4,037 miles	Engine Capacity	7993cc
Body Style	Coupe	Fuel	Petrol
Transmission	Automatic	Chassis No.	795131

Believed to be one of only four Black cars in the United States, with unique colour coding upgrades carried out by the supplying dealer with new parts from Bugatti at a cost of over $64,000, which didnâ€™t include the wheels. Only two owners from new and its service history is fully detailed, with services completed by Bugatti-authorised dealers in 2008, 2009, 2010, 2013, 2014 and 2015, with new tyres fitted in 2013. Complete with its original handbook/service booklet, spare key, speed key, PDA, battery conditioner and car cover. As new condition throughout, a car that represents huge future potential! *Please note that this car is located in America and titled in that country.*
