Supplied new in October 1973 by Maranello Concessionaires to Mr William Shand Kydd (Princess Diana's step-uncle). Factory options specified were metallic paint, a full leather interior and electric windows.

A total matching numbers example that has never been taken apart or restored andÂ is still complete with its original books including its original warranty card, tool roll and jack. In addition it is accompanied by a very well-documented history file with correspondence dating back to 1973.

Single ownership from 1994 until 2019 and a documented low mileage from new. A very original car throughout, one of the finest examples we have ever handled.
