TOM HARTLEY JNR

2001 FERRARI 360 Spider

Rosso Corsa with Nero leather

£SOLD

Mileage	2,183 miles	Engine Capacity	3568cc
Body Style	Convertible	Fuel	Petrol
Transmission	Manual	Chassis No.	123745

This particular car we have known from new, having supplied it to its only owner when it was a few days old.

A very rare manual example that has only covered 2,183 miles from new. It benefits from an incredible maintenance history, with 18x services carried out and all by official Ferrari dealers, including its most recent service in June 2019.

Optional extras included: Rosso stitching, Rosso brake callipers and a 6-CD autochanger. The car is complete with its original handbooks including the service/warranty supplement, leather pouch, Ferrari torch, certificate of conformity, Becker Radio code card, tool kit, spare keys, car cover and battery charger.

Presented in totally "as new" condition throughout, this is a very special example and one which could not be repeated.

Tom Hartley Jnr, Tadmarton Heath Road, Hook Norton, Oxfordshire OX15 5DD
