TOM HARTLEY JNR

2020 PORSCHE 718 Cayman GT4

Jet Black with Black Leather & Alcantara

£SOLD

Mileage	2,845 miles	Engine Capacity	3995cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	283700

The (718) Cayman GT4 is one of the very best driver's cars and represents fantastic value for money vs the performance you experience. It produces an incredible 414bhp from its naturally aspirated 4.0 litre engine via a 6 speed manual gearbox.

This UK supplied, low mileage example is a car that we've known from new and was ordered new with a host of optional extras that include; full bucket seats, contrasting stitching in silver with Porsche logo in satin black, silver seat belts, carbon interior package, BOSE surround system, Chrono package, speed limit indicator, storage compartment lid finished in Alcantara, LED headlamps with Dyanamic light system plus, electrically folding exterior mirrors, Park assist with reversing camera, 20â€ alloy wheels finished in Aurum and brake callipers finished in black.

This particular example is also nothing short of stunning!
