A very special example and a car that we have known from new. Ordered by and delivered new to one of the UK's most well-respected Ferrari collectors; with whom it resided with until purchased by ourselves and sold to its second, and only other owner in 2017.

Finished in one of the most desirable colour combinations and benefits from a host of factory options that include; carbon ceramic brakes, fully electric Recaro seats, Daytona style seat trim inserts, leather headlining, leather rear parcel shelf, carbon fibre driving zone, Cascade telematic navigation system, BOSE hi-fi system, 6-CD autochanger, electrochromic inner mirror, Handy fire extinguisher, front and rear parking sensors, Scuderia shields, Monolitic 20â€ alloy wheels, Bridgestone run-flat tyres and Navtrak security system.

Presented in 'as new' condition throughout and benefits from a fantastic service history with the most recent service carried

out at Graypaul Ferrari in March 2019, only 7 miles ago. Accompanying the car is an incredible history file that documents the cars full life and includes its Ferrari leather bound VIP 'build book' and original model literature. In addition, the car is still complete with its original books including the service/warranty supplement, spare keys, Ferrari car cover, battery charger and spare set of over mats.

We have no doubt that this particular 599 GTB is the very best and most complete example available today. It must be seen to be fully appreciated!
