TOM HARTLEY JNR

2011 BUGATTI Veyron Grand Sport

Black Blue Metallic with Burnt Orange Leather

£1,500,000

Mileage	8,017 miles	Engine Capacity	7993cc
Body Style	Targa	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	795033

1 of only 58 Veyron Grand Sports ever produced.

Built originally as a Bugatti show car and subsequently delivered by the factory to its first owner in 2014; that owner being one of the worldâ€™s most prominent car collectors. We then sold the car to its second and only other owner in 2018, a gentleman who is well known for his exquisite taste.

Since leaving the factory in 2014, the maintenance history has been impeccable with services carried out as follows;

2015 December – Annual service

2016 September – Annual service

Tom Hartley Jnr, Tadmarton Heath Road, Hook Norton, Oxfordshire OX15 5DD

Tel: +44 (0)1608 532500 **Email:** info@tomhartleyjnr.com www.tomhartleyjnr.com

2018 January – Annual service

2019 January – Biennial service

2020 February – Annual service

The car has also been fitted with a new set of tyres in March 2020 plus the previous owner purchased the 3 year service plan and an additional tyre pack from Bugatti in February of this year; this means that the new owner will not only benefit from the new tyres currently on the car and the next two services included in the price, but also has an extra set of tyres paid for to be fitted in the future, a benefit we have never experienced on any Veyron we have previously handled.

#795033 is finished in a truly stunning colour combination. Sophistication and style springs to mind when seeing the car in person; phrases not often used with many other Veyron's which is not surprising when you consider the car was built by Bugatti as their 'show car'.

Complete with all of its original accessories including its original handbook, spare key, speed key, PDA, hard top stand, car cover, battery conditioner, first aid kit and towing eye and presented in impeccable condition throughout.
