

TOM HARTLEY JNR

2018 FORD GT
Liquid Blue with Dark Energy
£SOLD

Mileage	1,117 miles	Engine Capacity	3500cc
Body Style	Coupe	Fuel	Petrol
Transmission	Semi-automatic	Chassis No.	100099

A rare opportunity to purchase a second generation Ford GT.

1 of only 15 examples to have been delivered to the UK market and benefits from a very high specification, with optional extras that include; non-standard paint finish, gloss carbon fibre body panels, frozen white body stripes, dark energy interior trim, 6-point harness anchors (never been fitted), 20" satin Diamond silver forged alloy wheels, locking lug nuts finished in black, Brembo brake callipers finished in blue and a tracker.

Presented in 'as new' condition throughout and complete with its: original service/warranty supplement, spare key, tool kit, car cover, OEM trickle charger, Sparco Ford GT racing holdall bag, history file which contains its original sales invoice, GT concierge service membership card and ownership welcome letter from the chairman of Ford Motor Company, William Clay Ford. Jr.

TOM HARTLEY JNR

Breathtaking beauty coupled with incredible performance, a car that is certain to age very well!
