TOM HARTLEY JNR

1966 FORD GT40 MK1

Warwick Green with Black Leather

£SOLD

Mileage	N/A miles	Engine Capacity	4736cc
Body Style	Coupe	Fuel	Petrol
Transmission	Manual	Chassis No.	P/1057

One of only 30 road specification GT40s ever produced.

Fresh from a cosmetic refurbishment and presented in its stunning original colour of Warwick Green, the only example delivered new in this colour.

A total matching numbers car, as confirmed by its Ford Advanced Vehicles Production Car Record.

Previously owned by model expert Robert Ash and in most recent times in long term ownership with one of the world's most prominent collectors.

Complete with its original luggage boxes, spare wheels, its original fuel/oil lines, cams and valves. In addition, an original GT40 brochure, a Ford High Performance Dealer's Handbook and a Ronnie Spain report.

Tom Hartley Jnr, Tadmarton Heath Road, Hook Norton, Oxfordshire OX15 5DD

P/1057 is a very special car, it's one of the few road specification GT40s that has never succumbed to a race conversion like so many of the other examples and is today, one of the most correct examples in existence.
